

**The Petroleum Corporation of Jamaica**  
*presents*

**Oil and Gas Prospectivity Fieldtrip**  
**JAMAICA**

**To Northern and Central Jamaica**  
**9th-11th August, 2011**

An informative two-day field trip showcasing the islands' petroleum geology, identifying potential and known source rocks, seal and reservoir rocks.

The field trip will be lead by Dr. Gavin Gunter of PCJ and Dr. Ryan Ramsook of Sagres Energy Inc.

Interested persons are kindly asked to respond confirming their attendance by **Monday July 18th, 2011**.

Please respond as soon as possible. A Field Trip Guide will be provided once confirmation has been received.

**REGISTER  
EARLY!!**
